

**Creative by nature and easily inspired.**

Art has always been a huge passion of mine, from drawing as a child to studying 3d and animation to my work in graphics and web development.

## Hobbies and Personal

Staying active, being social, learning, teaching, traveling, playing and being amazed.  
I love games, language exchanges, animation.  
I like finding ways to add value using design and creativity, to educate, entertain and inspire.

## Education and Skills

**Creative Digital Media (BA)** 06-10  
**Code.** HTML, SCSS, JS, React, JQuery  
**Design.** Adobe Ps, Il, Ae, Xd. 3dsMax, Zbrush  
**Language.** English, Chinese (HSK5)

## Work Experience

**Control Gap** **Front End Developer** **May.19 - Present**

Designed company site, software and promo materials, responsible for improving design and UX.  
Developed software using latest tech and modern standards.

**Freelance** **Web Dev/Graphic Design/Marketing** **Sep.16 - Dec.18**

Designed and branded products, websites, festivals, events, services and products.  
Represented several companies at conferences including TechCrunch SZ.  
Advised and initiated new strategies such as developing social media presence, working crowdfunding campaigns, connecting professionals and setting up an intern scheme.

**Bede Gaming** **Web Developer** **Aug.15 - Mar.16**

Updated sites to be functional, fast & responsive for a CMS built on .NET framework working with multiple teams internationally and locally.

**Lowes IFA** **Front-end Developer/Marketing** **Mar.15 - Aug.15**

Bridged gap between marketing and development teams, created marketing materials, facebook, banner adverts, and email campaigns, removing the need for outsourced work.  
Rebuilt existing sites' front-ends elevating to modern coding standards.  
Lead designer and developer of new branch site.

**ne.web** **Designer/Developer** **Nov.14 - Mar.15**

Communicated and pitched web and graphic designs to clients.  
Created wireframes, mockups, and coded bespoke websites with Drupal CMS.

**Various** **English Language Teacher** **Jan.11 - Aug.13**

Taught ESL in schools in China, studying chinese to HSK5 level Mandarin proficiency.  
Quickly gained responsibilities like managing the regional foreign teachers and arranging talks and performances for my schools.
